# WHAT THE EXPERTS SAY...

“ We adore our TIME TEST filly out of Pure Joy. She is strong, masculine, moves really well and has a ‘can do’ attitude. She is a great advert for the sire as she is a standout in any paddock.

DAVID REDVERS - Tweenhills England

“ My TIME TEST filly has a gorgeous head, strong neck and shoulder and a lovely walk. She is everything I would look for when purchasing a filly.

WAYNE JONES - Owner Real Pizazz

“ He is one of our best foals. He has a good head, is an athletic mover and has plenty of his father’s quality.

SAM MUNRO - James Chapman, Jamieson Park

“ Lovely colt. Good strong bodied foal, correct with good scope and outlook. Great advert for his sire. Just what you would expect from a horse like TIME TEST.

JIM WALLACE - Ardsley Stud

“ TIME TEST has left great quality in his foals. He was an easy stallion to recommend to our clients.

MARK CHITTY - Haunui Farm

“ The TIME TEST foals we have on the farm are all lovely well put together strong types that look like they were born to run, and we look forward to taking them to sales.

DEAN HAWKINS - Wentwood Grange

“ As an equine veterinarian I have seen a broad selection of new foals this year. I am particularly impressed by the TIME TEST foals. They have excellent bone, conformation and size with an athletic presence and a good temperament.

JOHN O'BRIEN - BVSc. Veterinarian/Owner

“ I'm ecstatic about both my TIME TEST colts this season. Dubawi stamps his stock and by what I have seen with both my TIME TEST colt foals, TIME TEST has stamped them. If TIME TEST is half as good as his father, it's exciting times ahead.

SUE WOODCOCK - Owner Angel Van Harlem  
Meredith Park Australia

“ Yet another pea from the pod.

SAM WILLIAMS - LA Stud
